NATIONAL LABOR RELATIONS BOARD**

IN RE:

PRO LABOR II, INC./ACECO, L.L.C.

Case 05-RC-149858

Respondent, and

**CONSTRUCTION AND MASTER
LABORERS' LOCAL UNION 11,
LIUNA,**

Petitioner.

**PETITIONER'S OPPOSITION TO ACECO, LLC'S
REQUEST FOR REVIEW**

The Petitioner, Construction and Master Laborers' Local Union 11, affiliated with the Laborers' International Union of North America, (hereinafter, the "Union" or "Local 11"), submits this opposition to ACECO, LLC's Request for Review of the Regional Director's Decision and Direction of Election in the instant case, issued on May 29, 2015, involving an election of the employees of ProLabor II, Inc.

ACECO's request for review should be denied because it fails to raise any compelling issues of law or policy. Moreover, ACECO's request for review fails to identify any mistake of law or any clear factual error made in the Regional Director's decision and direction of election. Rather, the RD's decision is fully supported by the findings and authorities made and cited in the decision. Based upon the authorities relied upon by the RD and the evidence in support of his findings of fact, ACECO's request for review should be denied.

Respectfully submitted,
